

# SOCK DRIVE

## Donate New Socks and Supplies For the 2020 Point-In-Time Count Tuesday, January 2- Friday, January 24

New socks are essential, especially in the winter months. They also are one of the least donated, but most needed items. You can also help by donating: Amenities (soap, shampoo, lotion, toothbrushes, toothpaste and disposable razors), soft cereal bars, bottled water, rain ponchos, beanies, gloves, \$5 food gift cards, bus passes or tokens. All of these supplies will be distributed during the Santa Barbara County Point-in-Time Count or during year-round Coordinated Outreach.
