The “Aid & Attendance” pension is a benefit for non service-related disabilities, available to veterans or their surviving spouses who qualify. In order to qualify for the pension, the veteran must have served at least 90 days active duty in the military, with at least one day during wartime. The applicant must be at least 60% housebound (no longer driving), which will require certification by a licensed physician. In addition the applicant must meet certain income and asset limits.

Applicants will need the following documentation to begin the application process:

Discharge papers (DD214) available at www.archives.gov/veterans/.

Death Certificate with cause of death (if client is a SURVIVING SPOUSE) available at www.vitalcheck.com.

Marriage Certificate or other proof of marriage, including date (if client is a MARRIED VETERAN or SURVIVING SPOUSE) available at www.vitalcheck.com.

Please inform the prospective client that Veterans Home Care will need to ask personal questions regarding income and assets in order to prepare the application to the VA. Answers to all questions, including those that are financially related, will be kept confidential and will only be used to complete the application.

If the prospective client is unable or unwilling to answer income or asset-related questions, Veterans Home Care cannot assist him/her in applying for the “Aid & Attendance” pension.
